Official Uniform Supplier to
The National Collegiate Roller Hockey Association
(NCRHA)

To all NCRHA member teams,

We are proud to announce that Ace Sports is now the Official Uniform Supplier to The National Collegiate Roller Hockey Association (NCRHA) and its member organizations. Ace Sports will donate \$5.00 for every game jersey sold to the NCRHA to help continue to organize and better serve Collegiate Roller Hockey.

We have over 1000 jersey designs to choose from so you will not have any problem finding a unique design for your team. All of our uniforms adhere to the NCRHA uniform policies. If you like, we can produce your own design or we can reproduce the existing design of your current uniforms. We also produce custom inline pants to match your jerseys.

PLEASE NOTE: We understand that there is only a short period of time from the start of school to the beginning of the season. If the delivery time line does not fit your needs, we can provide high quality practice jerseys with your team logo and numbers, while you are waiting for your order to be produced.

All orders and reorders in most cases take 4 weeks for delivery (after artwork authorization and deposit is received).

Ace Sports will waive all artwork and setup fees to all NCRHA member teams.

There is no minimum quantity on reorders.

A 50% deposit is required on all orders. All balances to be paid before delivery or C.O.D. unless otherwise arranged.

All orders will be shipped UPS ground unless other arrangements are made.

Please call us if you have any questions at 1800 830 0753
