RE: Order Processing

Revision Hockey is excited about working with the NCRHA and its members. Detailed below is an ordering process for Revision product. We are still in the process of creating an online ordering system in a secured area of our website for members only. Once that is created your NCRHA Association representative will issue you a password, you can then enter the Revisionhockey.com website and proceed to the Special Members Area at the bottom right of the page. Once you select the Special Members Area you will be prompted to enter your password. Once you enter your password you can download an order form and submit your order online. In the meantime, please use the process outlined below to order Revision product.

Ordering Process:

1. NCRHA team representative orders product on Revision Hockey order forms via fax at 714-891-3946.
2. The order should be signed by the team representative.
3. Orders per team will be allowed once a month.
4. All orders will be shipped COD company check or money order, or via credit card pre-pay. Appropriate shipping charges will be added to the invoice amount.
5. Orders will only be accepted from NCRHA Team Member Representatives.
